

Complete Your Checkout in Only 30 Seconds!

A checkout process that's 3× faster. Seamlessly integrated with all payment methods and shipping options.

Register Free

Checkout, pay, send all at once

Fast Checkout

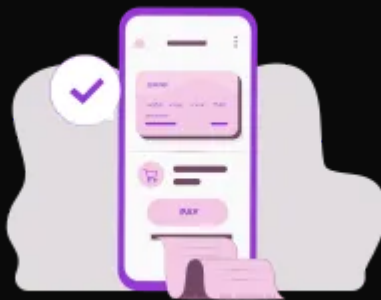

Shop faster, only 30 seconds using your phone number through the FLIK app.

Full Choices of Payment

Tons of payment choices for your customers from QRIS, e-wallets, and virtual accounts to COD, debit, and credit cards.

No More Forgotten Passwords

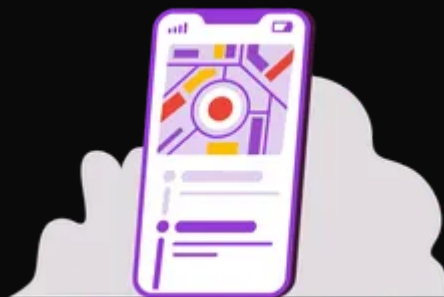

Shop easily using a One-Time Password (OTP) sent directly to your WhatsApp number.

Track Orders in the App

FLIK is automatically detected in the app. Check delivery details and order history anytime.

Auto-Applied Rewards

Always save while shopping — rewards apply automatically during checkout at any merchant.

Want to create invoices? FLIK can make it more practical, free!

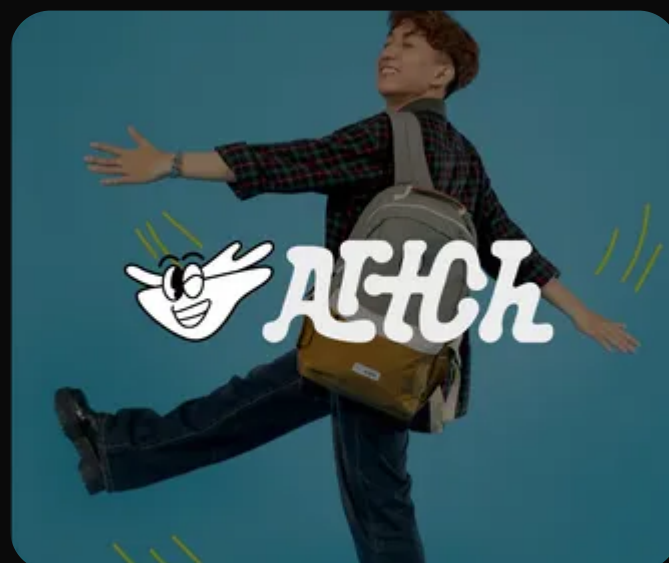

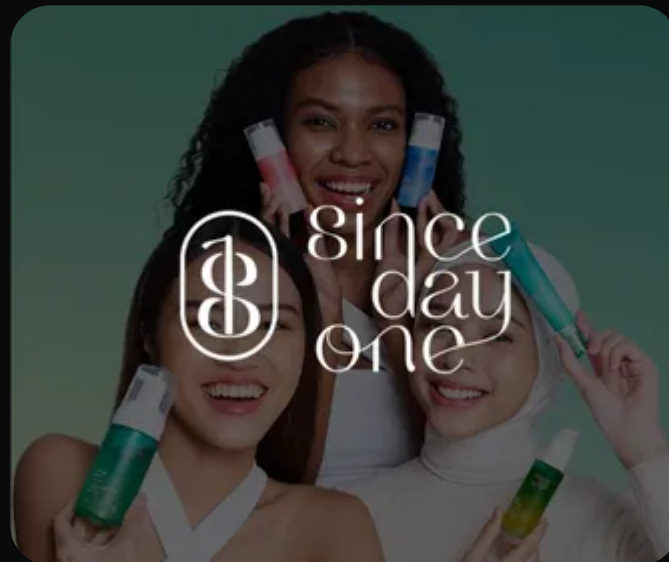

Create invoice links with #UseFLIK so your customers can pay using any method.
